General Conditions

These conditions apply to all sections of this insurance.

1 Policy Term

The **policy** is an annual contract and is effective for twelve months from the **commencement date**. The **policy** can be renewed **each year** on the **renewal date**, subject to the **policy** terms, conditions and premium rates in force at the time and as notified to **you** in **your** renewal invitation.

2 Premium Payment

Premiums can either be payable monthly, quarterly or annually and are due to be paid on or before the **commencement date** or **renewal date**. However, as **your policy** is an annual contract **you** are responsible for the whole years' premium even if **we** have agreed that **you** may pay by a monthly or quarterly premium. Failure to comply with this will result in automatic termination of **your** cover. Reinstatement upon subsequent receipt of funds shall warrant the application of General Exclusion 1 with effect from the date of reinstatement. No **insured person** shall have automatic right to continue the cover with **us**. Please refer to the Payment Terms & Conditions.

3 Taxes

We reserve the right to reflect any changes in insurance premium tax or other government levies as may be imposed upon **us**.

4 Alterations

At each **renewal date**, **we** reserve the right to alter or discontinue the benefits, terms, conditions and premiums of this **policy** and **we** shall notify **you** of such changes at least 21 days prior to the **renewal date** to **your** last known address. If **you** fail to receive such notice for whatever reason this shall not invalidate the change.

5 Change of Risk

The **policyholder** must inform **us** as soon as reasonably practical of any material change relating to any **insured person** covered under this **policy**. Such change may affect information given in connection with the original application. This may include any information as documented on the Application Form which may have altered prior to the **commencement date** of the **policy**.

6 Cancellation & Fraud

Whilst **we** will not cancel this **policy** because of eligible claims made by the **insured person**, **we** may at any time terminate the **policy** if an **insured person** has:

- a. misled **us** by mis-statement; or
- b. submitted a claim which is, in any respect, false, fraudulent, intentionally exaggerated and/or, if fraudulent means/devices have been used by **you** or **your dependants** or anyone acting on **your** or their behalf to obtain benefit under this **policy**. **We** will not pay any benefits for that claim. The amount of any claim settlement made to **you**, before the fraudulent act or omission was discovered, will become immediately payable to **us**. If the contract is rendered void due to false, fraudulent, intentionally exaggerated claims or if fraudulent means/devices have been used, the premium will not be refunded, in part or in whole, and any pending claims settlements will be void. In the event of fraudulent claims, the contract will be cancelled from the date of our discovery of the fraudulent event.

In such circumstances, cover shall be cancelled void ab inito, with refund of premium minus any claim payments paid.

The **policyholder** may cancel this **policy** by contacting **us** during the 14 day cooling off period. The 14 day cooling off period commences on the day that the contract is concluded or the day that full **policy** terms and conditions are received, whichever is the later. The 14 day cooling off period also applies from each **renewal date**. If the **policy** is cancelled during the 14 day cooling off period **we** will return any premium paid for the **policy** providing no claims have been made on the **policy** in relation to the **period of cover** before cancellation (being no more than 14 days' cover). If **you** incur eligible claims costs within that **period of cover** **we** reserve the right to require the **policyholder** to pay for the services **we** have actually provided in connection with the **policy** to the extent permitted by law and any return of premium is subject to this. If the **policyholder** does not cancel the **policy** during the cancellation period the **policy** will continue on the terms described in this Policy Wording for the remainder of the **policy** year.

7 Governing Law

You and **we** are free to choose the law that applies to this **policy**. In the absence of any agreement to the contrary, the law of England and Wales will apply.

8 Policy language

This **policy** is written in English and all other information and communications to **you** relating to this **policy** will also be in English unless **we** have agreed otherwise in writing.

9 Other Insurance

If there is any other insurance **policy** covering any of the same benefits as provided by this **policy**, **you** must disclose or ensure that the relevant **insured person** discloses the same to **us**. **We** shall not be liable to pay or contribute more than **our** rateable proportions.

10 Third Party Rights

Only the **policyholder** and **we** have legal rights under this **policy** and it is not intended that any clause or term of this **policy** should

be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person including any **dependant**.

11 International Sanctions

We and other service providers will not provide cover or pay claims under this **policy** if doing so would expose **us** or the service provider to a breach of international economic sanctions, laws or regulations, including but not limited to those provided for by the European Union, United Kingdom, United States of America or under any United Nations resolution. If a potential breach is discovered, where possible **we** will advise **you** in writing as soon as **we** can.

12 Changing your level of cover

If **you** effect **Out-patient Treatment** at a **renewal date** after your **date of entry**, any existing **medical condition** or related condition will be limited to **In-patient Treatment** only.

13 Adding a Newborn Child

Children will be accepted from birth without the need for medical underwriting, provided that **we** receive notification of their arrival within 30 days from birth. Please ensure **you** submit **your** request in writing to **us** at: sales@alhealth.com. Notification received after this period will result in children being accepted for cover from the date of such notification.

14 Contacting Dependants

If **we** need to make contact in relation to a **dependant** on **your policy** (e.g. where further information is required to process a claim), the **policyholder**, acting for and on behalf of the **dependant**, will be contacted by **us** and asked to provide the relevant information. Similarly, all information in relation to any person covered by the insurance **policy**, for the purpose of administering claims, will be sent directly to the **policyholder**.
